

TRUCKING
Moves America Forward

AMERICA'S PATH TO PROSPERITY IS ACTUALLY A HIGHWAY.

WITH 7 MILLION EMPLOYEES NATIONWIDE, the professional trucking industry literally drives \$682 billion in revenue every year. From healthcare to retail, food to fuel, technology to manufacturing, trucking is a vital part of the nation's economy. Which is why, if we're going to keep moving America forward, safely, we need well-built roads. Support long-term highway funding.
